I. Legislation Committee Update

The Legislation Committee initiated a survey to research the common problems, issues, challenges and recommendations of communities in Westfield. The results to date are posted on WeCAN, so far, only 15 communities have responded. **Please fill out the survey** if you have not already, even if you don't have a formal HOA.

The next step for the Committee is to obtain and analyze any additional surveys. The Committee will meet on **October 15th** so please make sure to fill out the survey for your community before then. The committee will decide on recommendations and when to bring the other communities into the discussion.

If you have any questions about the survey or Legislation Committee, please email Ron at ron.rothrock@gotown.net.

II. Sports Complex

Councilman John Dippel, a member of the Sports Commission, gave background information and updates on the proposed development.

The kinds of sports facilities, where the complex should be, if it is going to be, and who should run it have not been decided yet.

Discussion on the possibilities followed.
